PRESIDENT'S MESSAGE

Well we all keep getting teased by Mother Nature the sun pops out to take a peek then the clouds drop a little more rain drops. I hope everyone is coming to this meeting for the "Nuts and Bolts" . Don't forget to bring your checkbook to purchase more chances to win the BIG SCREEN TV ! . It will be a night of fun and enjoyment for everyone. But we need all of you to come check it out and support our industry .

Last month was a great turnout and we heard some wonderful memories of the beginnings of our chapter. We had a nice champagne toast to starting at the new San Jose clubhouse. If you didn't make it you really missed out on a wonderful evening. See you all Thursday April 20 at the San Jose clubhouse 15480 Union Ave San Jose, Ca 95124.

Tom Allen

Times are a changing!

Toddler Drowns In Concord Backyard Pool

CONCORD (CBS SF) — A missing toddler was found unconscious in a swimming pool Sunday afternoon and later pronounced dead, according to police.

At 4:43 p.m., officers were called to a home in the 2100 block of Leland Way on a report of a missing one-year-old female child.

Family members and police officers searched the area for several minutes before finding the child unconscious in the home's backyard swimming pool. Officers performed CPR until paramedics arrived.

The child was taken to a local hospital where she was later pronounced dead, police said. She was identified as Molly Scott from Walnut Creek, according to the Contra Costa County coroner's office.

According to Concord police Corporal Chris Blakely, the child did not live at the home where she was found, and the home belonged to her relatives.

The in-ground swimming pool was enclosed in a 5-foot to 6-foot tall fence and police do not yet know how the child got into the pool area, Blakely said.

* Sad story, children should never be left alone around a pool. Even with a fence around it. Educate your customers when possible. SAFETY First!

Safety Matters

Besides the obvious trip hazard what you see below is the taped electrical feed to control box.

Wear sunglasses labeled "100% UV protection"

Use only glasses that block both UV-A and UV-B rays and that are labeled either UV400 or 100% UV protection.

- Choose wraparound styles so that the sun's rays can't enter from the side. If you wear UV-blocking contact lenses, you'll still need sunglasses.

Wear a hat along with your sunglasses; broad-brimmed hats are best.

Remember the kids: It's best to keep children out of direct sunlight during the middle of the day. Make sure they wear sunglasses and hats whenever they are in the sun.

Know that clouds don't block UV light: The sun's rays can pass through haze and clouds. Sun damage to the eyes can occur any time of year, not just in summer.

Be extra careful in UV-intense conditions: Sunlight is strongest mid-day to early afternoon, at higher altitudes, and when reflected off of water, ice or snow.

By embracing these simple tips you and your family can enjoy the summer sun safely while protecting your vision.

IPSSA SANTA CLARA CHAPTER'S 29TH ANNUAL

Nuts 'n Bolts

Thursday,
April 20, 2017

5:00 p.m. – 8:30 p.m.

Meet all the major Pool & Spa Manufacturers, suppliers, builders, remodelers and many other specialists as they showcase their companies and products. Learn about new products to help you make more money!

Bring your
check book for
the auction
