PRESIDENT'S MESSAGE

Hello everyone, I want to say thank you to all that made it to our November meeting. We as a board feel like the Thanksgiving meeting was a great success. It was great to see everyone enjoying their time with each other! Thank you Chapter Supporters for all you do in helping our chapter to be a success!

This has been a year with many changes. I hope you feel the majority of them have been for the positive. We've made several location moves, tried to bring a variety of dishes for dinner and a good mix of educational speakers. If anyone has any suggestions to help move forward and improve our meetings, please send them to my email at - ta@tomstilecleaning.com. We are open to suggestions.

Now it's time to celebrate the Christmas season! Also another change, we are going to a restaurant for our Holiday Dinner this year. The invitations have been sent out by our secretary, Brent Torcellini. So look for them through your email's or SCVIPSSA. We love all the youngsters, but this year we are keeping it adults only. Please RSVP to Brent before or no later than December 10th. This is very important for our deadline.

Join us for a Holiday treat on **Monday**, December 18, 2017 at **BJ's Restaurant & Brewhouse** on 511 Coleman Avenue in San Jose, Ca. 95110 at 6:00 p.m. This is in the "San Jose Market Center." Come prepared for a special "Silent Auction" with some EPIC donations!

THANK YOU again, Chapter Supporters! Members, be prepared as we don't want anyone to say, "I didn't know!" It will all be in good fun...don't miss out on this night. Please remember to RSVP, this is crucial in order to attend.

We would love to see everyone make this a wonderful celebration. It will be a great way to close out our year together. We, as your Board, THANK YOU for your encouragement and support.

Tom Allen

NOW MANAGE MORE THAN JUST THE PUMP

Power-up the pump. Power-on additional equipment.

Jandy variable-speed pumps feature an auxiliary relay which, when combined with our iQPUMP01, enables instant automation for your pump — plus one additional piece of equipment — using the iAquaLink™ app.

Available on all 2.2 and 2.7 HP Jandy Pro Series variable-speed pumps, it eliminates the need for an additional time clock to control equipment such as a booster pump or saltwater chlorinator.
